October 2023

Jesus went through all the towns and villages, teaching in their synagogues, proclaiming the good news of the kingdom and healing every disease and sickness.

Matthew 9:35

Emmanuel Family,

We serve an Awesome God! Every time I think about Him my heart floods with joy, praise and gratefulness for His love and His patience with me. We are in the last quarter of the year and the Lord has kept us. His hands are guiding us in the direction He would have us to go according to His prophetic timetable. We must seek Him with all our heart, soul, and mind if we are to truly know His will. Personally, the Lord has convicted me of my error in not fully understanding His will regarding healing and deliverance. To date, we have not seen ongoing healing and deliverance at Emmanuel even though there have been a few testimonies of both over the past twenty years.

The scripture above is just one scripture that reveals the heart of the Messiah concerning us. Jesus went throughout towns and villages teaching and proclaiming the Good News of the Kingdom and healing every disease and sickness. There is nowhere in the Word of God where this grace and responsibility have been removed; In fact, the opposite is true. The Holy Spirit has

impressed upon me the importance of making known this error and the need to correct it. I desire to see authentic miracles of healing and deliverance as an expected outcome of our ministry. I ask that you stand in agreement with me on this, and that you make it a continual part of your prayer life.

I am committed to walking in the fullness of God's will with understanding. I am committed to spending the balance of my life operating in these areas of ministry and to helping others to do likewise. I encourage each of you to read good books on deliverance and healing, and I recommend this book by Eric M. Hill titled, "Deliverance from Demons and Diseases" as one of your resources. This is a powerful book that is easy to read, and I plan to use it for instructional training. I ask that you keep me and our ministry staff lifted in your prayers. Keep this church in your prayers. Keep other churches and pastors in your prayers. Keep unbelievers and even your enemies in your prayers with purpose and understanding. I love you family, and I expect great things to manifest in your lives to the glory of God.
